FEDERAL INSTITUTE OF SCIENCE AND TECHNOLOGY (FISAT)®

Policy on Student Registration

Registration for the first semester of the programme in the Federal Institute of Science and Technology (FISAT) is completed along with the procedures of admission with the help of the institution's office

- The individual students do registration to the subsequent semesters
- FISAT informs the students of the permissible period for registration
- An online facility for registration through the institution portal is provided to the students
- Students are required to clear all their existing dues to the institution before registration for the higher semesters
- Only students eligible for promotion to higher semesters as per the prevailing university regulations are permitted to register
- Students' registrations are approved by the respective mentors and Heads of Departments before final submission to the institution office
- The mentors and Heads of Department actively follow up on students whose registrations are pending.
