An ISO9001:2015 Certified Institution
Accredited by NBA (CSE, EEE, ECE, EIE, ME)
& NAAC with 'A' Grade

Focus on Excellence

FEDERAL INSTITUTE OF SCIENCE AND TECHNOLOGY (FISAT)[®]

Policy on Fab Lab

The Fab Lab of FISAT was started with the support of A P J Abdul Kalam Technological University and Kerala Start Up Mission (KSUM) in the college campus. A Fabrication Laboratory (FabLab) is a technical prototyping platform for innovation and invention which aims at providing stimulus for students and serves as a platform for learning and innovation. It is a small-scale workshop offering digital fabrication which empowers the students and other users to create smart devices for themselves which can be tailored to local or personal needs. The FabLab also becomes a medium for connecting to a global community of learners, educators, technologists, researchers and innovators – essentially becoming a self-sustaining global knowledge sharing network.
