Policy on Innovation and Entrepreneurship

Development Centre (IEDC)

The key objective of the IEDC in FISAT is to promote an innovation driven entrepreneurship culture among the students by bridging the gap between academia and industry. The IEDC aims to promote enterprise among budding technopreneurs and thereby creating more employment opportunities. IEDC shall motivate, support and mentor students for identification, development and commercialization of their innovative ideas. It shall create specialization hubs for promoting the culture of Entrepreneurship among the student communities. IEDC shall organize Business Plan Competitions/Innovation Camps/ Hackathons with active involvement of industry and alumni
