FEDERAL INSTITUTE OF SCIENCE AND TECHNOLOGY (FISAT)[®]

Policy on Sports Activities

The Federal Institute of Science and Technology (FISAT) envisages the overall development of its students and considers sports and other physical activities as integral components of overall personality development. Understanding the immense benefits of sports, FISAT encourages and provides ample opportunities for students and staff to engage actively in sports and other physical activities. For this purpose, FISAT has Physical Education staff members to coordinate all its activities.

As and when a call is given for inter-collegiate, inter university sports and games competitions; the Principal directs the same to Physical education in charge for his action. The Physical education in charge maintains a list of talented sports persons based on earlier performances within and outside the college. The Physical education in charge gathers the team and shall arrange for the necessary coaching. The physical education in charge also sends the necessary applications to the organizers with consultation and approval of the principal. The principal recommends the management towards the requirement of funds for the above. The physical education in charge deposes the team, if necessary, accompanied by selected staff members (or) coaches for the performance in the tournaments. In house development. The physical education staff in charge budgets for in house resources and the development for sports and games. The principal recommends the budget for approval of the management. The physical education in charge organizes the preparation of the facilities, procurement of the kit and organizes regular practice by selected participants.

Hosting of Sports and Games

The entire college is split into four groups namely, Red, Blue, Yellow, Green. Competitions are arranged within these four groups and talents are identified. The physical education staff in charge prepares the budget for hosting sports and games within the campus. The principal recommends for the approval of the budget by the management. The physical education staff in charge forms a team of staff to handle various responsibilities for conducting the sports and events inside the college. The physical education staff in charge sends in-call notices to other institutions for the sports and game events and arranges to draw a schedule in consultation with the committee selected for the purpose. The sports and games are conducted in line with the scheduled itinerary and the winners are awarded prizes. Students of the College are also sent to other inter collegiate competitions accompanied by the physical education staff in charge after obtaining approval from the principal / chairman of the college.
