Policy on Cultural Activities

FISAT encourages the students to actively participate in the cultural activities and provides a lot of opportunities to nurture their artistic talents. The institution motivates the students to engage in cultural activities with the following objectives.

- To offer artistic and cultural experiences to students of FISAT.
- To recognize and promote the institution as a space of circulation and production of Indian cultural diversity.

The principal forwards the invitations for various intercollegiate cultural events. The Staff in charge of cultural events maintains a list of talented students in various cultural events, on the basis of competitions held in arts festivals of the college. The talented students are selected and prepared for participating in the competitions. The staff in charge of cultural events prepares a budget for such activities. The principal recommends for approval of the management for the list of funds. The staff in charge of cultural events deposes the selected students for the competition and reports the result to the principal after the events. The students are either accompanied by the staff in charge or by any other staff assigned the duty.. Intercollegiate cultural competitions are planned and executed annually or biannually with the approval of chairman / principal.
