**Notes:**

1. The API for joint publications will have to be calculated in the following manner: Of the total score for the relevant category of publication by the concerned teacher, the first/Principal author and the corresponding author/supervisor/mentor of the teacher would share equally 60% of the total points and the remaining 40% would be shared equally by all other authors.
2. Faculty members have to try for maximum marks in each item in Category III. However **minimum 15 marks for Category III (1), 5 marks for Category III(6) and 40 marks for Category III(8) are desirable.**
3. **Overall API index**  $P = \frac{3[C_1+C_2]+C_3}{1000} \times 100$ ;  $C_1 C_2 C_3$  are scores of Categories I, II and III respectively.
